at the heart of walking

Another opportunity to meet friends old and new!

Join us for a Walk and Picnic at Lilley

Saturday, 26 September 2015

An interesting range of led walks from 3 miles to 15 miles.

Last year 75 Ramblers and members of the public enjoyed a fine day of walks and a picnic at Welwyn. This year we are in the pretty village of Lilley.

Everybody, including accompanied children, welcome - you don't have to be a Ramblers member. Just turn up, ready to leave at the time of the walk you have chosen. Dogs welcome on walks where shown; for others please check in advance with the leader.

No charge to take part but please bring food to share at the picnic if you intend to stay. You can hand food in before the walk to save carrying it with you.

The event is based at the Cassel Memorial Hall, West St, Lilley, Herts (Sat Nav LU2 8LH). Grid Ref TL 118 262, OS Explorer Sheet 193.

What happens on the day? All the walks will finish back at the Memorial Hall at 4 pm, followed by an optional bring-and-share picnic. We hope to have the picnic outside, but there is an attractive Hall if the weather is poor. The event will end by 6 pm.

No need to pre-book. There is an hourly bus service (Arriva 102) to Lilley from Luton and Hitchin/Stevenage. If you need a lift from Hitchin Station please contact David Smith in advance.
